

VIP Private Medical Service

We proudly provide exclusive medical healthcare programs in order to assure the highest standard of care for our VIP clients. As a part of our Top Class travel package it is possible to include healthcare program in the Czech republic provided by the masters of medicine, the Regibase medicare a.s., official medical care partner of the Armed Forces of the Czech republic.

Medical check is required for all healthcare programs.

- Spa wellness and light rehabilitation program
- Specialized robotic health and rehabilitation program
- Diabetes Exclusive treatment

Spa wellness and light rehabilitation program

Clients are accommodated in luxury hotel in Lázně Bělohrad Spa with program of wellness and spa procedures to improve their health by

relaxing, drinking healing mineral springs, receiving physiotherapist care and all that under doctor's supervision.

Specialized robotic health and rehabilitation program

Regibase medical a.s. provides their top doctors and revolutionary robotic equipment to enable patients with neurorehabilitation problems to come back to normal life. Partnership with the Armed Forces of the Czech republic

prooves highest professionalism. Clients are accommodated in private estate or in hotel and are transported for procedures by private helicopter or limousine.

Diabetes Exclusive treatment

Revolutionary all-natural gene-modification therapy brings remarkable results in patient's health within weeks. Standard treatment time is 7 weeks. Clients are accommodated in private estate or in hotel and are transported for

procedures by private helicopter or limousine. Leisure activities and exploration of European folk culture provides great enjoyment in between the everyday treatment sessions.
